

Ease

Lounge chair \

The Ease lounge chair embodies the ease of relaxation. Your ideal partner to read the newspaper in comfort, enjoy a decent coffee or a good glass. The Scandinavian inspired lines give this design furniture its unique touch.

Optimal support

Sitting comfort in a lounge chair is essential. Ease supports your body optimally with an ergonomically shaped back, an adjustable headrest and an optional cushioned footstool. The wide armrests, suitable for putting things on, complete the picture.

Scandinavian look

For Ease, we resolutely drew the map of sober shapes and distinctive lines. Round wooden legs add to its Scandinavian look. With a wide choice of 16 different types of wood and fabric or (artificial) leather upholstery in your favourite colour, you can configure this design furniture to your liking. This lounge chair is sure to become the modern design classic in your living space.

What makes the lounge chair Ease so unique? \

- \ \ Sleek appearance
- \ \ Extra-wide armrests
- \ \ Opening between seat and back
