

Hello

Armchair \

Sitting at the table for a long time, for an extensive dinner or a pleasant coffee and tea time, is a pleasure for everyone. At least as long as you are sitting comfortably. Hello is a new experience at the table, thanks to its unique mix of sitting comfort and sober design.

Belgian craftsmanship

Inspired by Scandinavian design, the Hello dining chair is a fine example of Belgian craftsmanship. The opening between seat and back gives this chair a fresh, aesthetic look and contributes to the easy cleaning of the seat.

The wide armrests accentuate the original design and provide extra support when standing up. With its well-thought-out, minimalist design and robust construction, this dining chair stands firmly on its legs, yet is light and easy to move.

Welcome to the table

Surprise your guests at the table with this designer dining chair with wooden legs. Thanks to its ergonomic design and good support, the Hello dining chair is your ideal partner for long periods of sitting. Let that buffet come.

What makes the armchair Hello so unique? \
